2021
Tri-State Green Industry Conference
Professional Credits

Room Moderators will announce at the beginning of each class what professional credits are available for that particular session.

Indiana State Chemist Pesticide Continuing Certification Hours

Participants wishing to earn Indiana Continuing Certification credits must email John Hawley
hawley4@purdue.edu .

Kentucky Department of Agriculture
Licensed Pesticide Applicator Continuing Certification Credits

Participants wishing to earn Kentucky Continuing Certification credits must email Dave Koester
david.koester@uky.edu .

International Society of Arboriculture (ISA) Continuing Education Units

ISA Certified Arborists attending today's Tree and Shrub Track and other designated sessions will be eligible for CEUs. Refer to Professional Credits at a Glance for specific sessions. These credits are self-reported at the following link: https://www.isa-arbor.com/Credentials/Maintaining-Credentials

Ohio Certified Nursery Technician (OCNT)

OCNT Certification Training credit has been approved by the Ohio Nursery & Landscape Association (ONLA). This credit is self-reported.

Ohio Department of Agriculture (ODA)
Licensed Pesticide Applicator Recertification Credits

Refer to the Credits at a Glance for specific sessions. We will be using the chat box feature to confirm attendance in each session qualifying for OH Pesticide Credits (you will have to enter your name in the chat box within the first 10 minutes after the presentation begins), this requires each user to participate on his or her own device. After each session, we will read a recertification code that you will need to write down and then enter into a web-form at the end of the day.

Each participant will need to view the webinar on their own device. Throughout the day, we will be reading recertification codes. We will also be utilizing the chat box feature to track attendance. We will provide a link to a recertification form at the conclusion of the day. **In order for us to track your participation and for you to fill out the recertification form, you will need your own device.** We recommend a desktop, laptop, or large-screened tablet.

At the conclusion of the day, there will be a link on the conference website to a recertification form. Participants must fill out their information, including their applicator ID number, and the codes of the sessions they attended. They need only to fill it out once. It must be submitted by 6:00 pm on February 4, 2021.
